November 27, 2012

Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Board Staff Corrections to Transcript
Hydro One Networks Inc., 2013 Electricity Distribution Rates
Board File No. EB-2012-0136
Technical Conference, November 22, 2012**

Board staff notes the following corrections need to be made to the EB-2012-0136 Hydro One Networks Inc. Distribution November 22, 2012 Technical Conference Transcript:

1. Page 102, lines 22-26 currently read:

MS. O'CONNELL: Okay. From what I gather, you used account 1592 to true-up for tax declines or increases, probably tax declines over the years from May 1, 2006, forward. How does that differ from the 1991 to 2005 regime?

Page 102, lines 22-26 needs to be corrected to replace the number 1991 with the number 1999:

MS. O'CONNELL: Okay. From what I gather, you used account 1592 to true-up for tax declines or increases, probably tax declines over the years from May 1, 2006, forward. How does that differ from the 1999 to 2005 regime?

2. Page 104, lines 6-8 currently read:

MS. O'CONNELL: May of '07. Why doesn't Hydro One distinguish between the rate periods regarding when the Board's PILs regulatory applies and when it does not apply?

Page 104, lines 6-8 needs to be corrected to replace the word “doesn’t” with the word “does”, as consistent with Board Staff Pre-filed Technical Conference Question 11 e) ii) filed with the Board November 12, 2012:

MS. O'CONNELL: May of '07. Why does Hydro One distinguish between the rate periods regarding when the Board's PILs regulatory applies and when it does not apply?

Sincerely,

Original Signed By

Harold Thiessen
