Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2011-0112 – Canadian Niagara Power Inc. – Draft Rate Order

Pursuant to the Decision and Order dated November 29th, 2012, this letter is to provide the School Energy Coalition's ("SEC") comments on Canadian Niagara Power Inc.'s ("CNPI") Draft Rate Order. SEC has reviewed and adopts the submissions of Board Staff with respect to the quantum of Account 1562. The correct balance for disposition of Account 1562 should be zero dollars for the reasons outlined in Board Staff's submission.

Yours very truly,
Jay Shepherd P.C.
