Dear Ms. Walli:

**Re: Cambridge and North Dumfries Hydro Inc.  
Correction of Error in 2011 RRR Filing 2.1.5.**

During the course of Cambridge and North Dumfries Hydro Inc. ("CND") 2013 IRM Application and Interrogatories (EB-2012-0111), a non-material error was found in CND's December 31, 2011 RRR filing, submitted April 24, 2012. More specifically, part 2.1.5, in the Customers, Demand and Revenue section, the Billed kWhs without loss factor for Street Lighting Connections was entered as 10,044,985 kWh. The correct amount is 10,011,985 kWh.

CND has contacted the Conservation and Reporting section of the OEB to inform them of the error, via email to Ejiro Winthorpe. Contact has also been made with the Board staff (Suresh Advani) who initially found the discrepancy.

The RTSR Model and data submitted with the 2013 IRM Application is correct.

At your earliest convenience, please inform the undersigned as to the next steps to correct the RRR filing.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Grant Brooker".
