

EB-2012-0139

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Innisfil Hydro
Distribution Systems Limited for an order approving just and
reasonable rates and other charges for electricity distribution
to be effective May 1, 2013.

PROCEDURAL ORDER NO. 1
December 10, 2012

Innisfil Hydro Distribution Systems Limited ("IHDSL") filed a complete application (the "Application") with the Ontario Energy Board (the "Board") on October 24, 2012 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that IHDSL charges for electricity distribution, to be effective May 1, 2013. The Board has assigned the application file number EB-2012-0139.

The Board issued a Notice of Application and Hearing dated November 13, 2012. The Vulnerable Energy Consumers Coalition ("VECC"), Energy Probe Research Foundation ("EP") and School Energy Coalition ("SEC") applied for intervenor status and cost eligibility. No objection was received.

The Board has determined that VECC, EP and SEC are granted intervenor status. The list of parties in this proceeding is attached as Appendix A to this procedural order. The Board has also determined that VECC, EP and SEC are eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*.

The Board has decided to make provision at this time for written interrogatories. The Board reminds parties that interrogatories must reference the pre-filed evidence and, in accordance with *Chapter 1 of the Filing Requirements for Transmission and Distribution Applications* ("Filing Requirements"), parties must sort their interrogatories and

responses by topics as outlined in the exhibits in the Filing Requirements. The Board encourages parties to use a continuous numbering system to facilitate subsequent referencing of the interrogatories. After its review of the responses, the Board will determine the next steps.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Board staff and Intervenor shall request any information and material from IHDSL that is in addition to IHDSL's pre-filed evidence with the Board, and that is relevant to the hearing, by written interrogatories filed with the Board and served to IHDSL on or before **January 9, 2013**.
2. IHDSL shall file with the Board complete written responses to the interrogatories and serve them to Intervenor on or before **February 13, 2013**.

All filings to the Board must quote the file number, EB-2012-0139, be made through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

With respect to distribution lists for all electronic correspondence and materials related to this proceeding, parties must include the Case Manager, Birgit Armstrong at birgit.armstrong@ontarioenergyboard.ca and Board Counsel, Richard Lanni at richard.lanni@ontarioenergyboard.ca.
