

UNION GAS LIMITED

Undertaking of Union Gas
To Schools Energy Coalition ("SEC")

Provide the results of the sales tax study with the monetary policy response.

The run with the FOCUS Model that we used to derive the distributed lag weights for capital included a monetary response. There was no comparable run without a monetary response.

Question: April 8, 2008
Answer: April 10, 2008
Docket: EB-2007-0606 / EB-2007-0615
