Dear Mr. Stevens:

**Re: Enbridge Gas Distribution Inc.
Request for Extension
Board File Number EB-2011-0354**

The Board is in receipt of your letter dated December 10, 2012 requesting a one week extension to December 21st for the filing of Enbridge's reply argument in the above-noted proceeding. The parties had agreed to the dates which were set in the oral hearing as follows: argument-in-Chief by November 30, intervenor arguments by December 7th and Enbridge's reply argument by December 14th.

The Board is of the view that Enbridge could have reasonably anticipated the length and level of detail of the arguments filed by the parties, but also recognizes that some intervenors filed arguments after the December 7th filing date ordered by the Board. The Board will therefore grant an extension until Monday, December 17th for Enbridge to file its reply argument.

Yours truly,
