**Subject: Amendment To OEB License EG-2003-0103**

Dear Kirsten Walli - Board Secretary,

This letter is to inform you that Thorold CoGen Management Inc. (OEB License # EG-2007-0102) will cease to exist as of December 31, 2012. We request that the OEB note this item and dispose of the respective OEB Generator (operator) License.

In addition, OEB Generator License EG-2003-0103 (Northland Power Inc.) wishes to amend its license as per the guidance received from the OEB's License Applications Department. Specifically, license holder EG-2003-0103 which currently is (and will continue to be) the operator of eight generation facilities, will also be the operator of an additional facility. This facility is Thorold CoGen L.P. (OEB Generator License EG-2007-0101). As a result this should be reflected in the Schedule 1 of EG-2003-0103.

In addition, we request that the Board dispose of this matter without a hearing, pursuant to Section 21 (4) b of the Ontario Energy Board Act as no other parties will be affected by the outcome of the proceeding and hence we consent to dispose of the matter without a hearing.

As a result of this information, please amend OEB Generator License EG-2003-0103 and dispose of OEB Generator License # EG-2007-0102 accordingly.

Yours Truly,

Sushil Samant
