Dear Ms. Walli,

RE: OEB File No. EB-2012-0127: ASSESSMENT OF ACCURACY AND COMPLETENESS OF DRAFT TARIFF OF RATES AND CHARGES

Grimsby Power Inc. is pleased to provide an assessment of the accuracy and completeness of the Draft Tariff of Rates and Charges, as presented in the Ontario Energy Board's Decision and Order on December 6, 2012.

A minor change is requested to the expiration dates of two Rate Riders in each rate class. The expiration dates for the Rate Riders associated with the Deferral/Variance account disposition and the Global Adjustment sub-account disposition should be changed from January 1, 2014, to December 31, 2013.

In all other respects, Grimsby Power acknowledges that the rates as presented are in order.

Yours truly,
