Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Sarnia Airport Storage Pool Project Application  
Market Hub Partners Management Inc. and AltaGas Ltd.  
EB-2008-0002  
Our client – Mrs. Anna Muscedere (Intervenor)**

---

Please be advised that we are solicitors for Mrs. Anna Muscedere, one of the Intervenor in the above noted matter. This letter is in response to the Ontario Energy Board ("OEB") Procedural Order No. 1 dated April 4<sup>th</sup>, 2008. We have been asked to provide the written interrogatories on behalf of our client.

## **Question 1**

*Reference – Sheet #3 of Attachment 1 of Environmental Report of Stantec Consulting Ltd. dated April 1, 2008.*

Where is the exact location of the proposed pipeline with respect to it crossing the road along Michigan Line from the north side to the south side just before reaching Waterworks Road?

We wish to confirm that the pipeline will cross the road (from north to south) just before reaching our client's property on the north side of Michigan Line.

## Question 2

*Reference – Map of Monteith & Sutherland (Schedule 6-9) (Drawing no. SASP-SAP-03)*

We would like confirmation that the word “TWR” means “temporary working area” and does not mean that any fixture will be constructed at this location such as “tower”. The notation “TWR” appears on our or near our client’s property.

## Question 3

*Reference – Temporary Land Use Agreement (“Agreement”)*

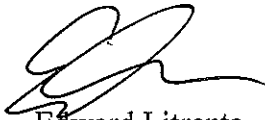

We would like confirmation of the following:

1. Are these the final terms of the Agreement?
2. Is there an exact area known at this time for the easement area?
3. What are the financial terms of the Agreement?

We look forward to receiving your responses by May 5, 2008. Thank you.

Yours very truly,

**GEORGE MURRAY SHIPLEY BELL, LLP**
