Dear Ms. Walli:

**Re: EB-2012-0391**  
**Bentpath Rosedale Pool - Well Drilling Project**

Union has reviewed Board Staff's submissions regarding the drilling of an observation well in the Bentpath Pool. Union acknowledges Board Staff's support for the application, and agrees that no concerns have been raised regarding the project.

Union does not see any issues which would prevent the Board from issuing a favourable report to the Minister of Natural Resources regarding this project.

Sincerely,

William T. Wachsmuth,  
Senior Administrator, Regulatory Projects
