Dear Mr. Charron:

**Re: Entegrus Powerlines Inc.
Notice of Proposal under Section 80 of the *Ontario Energy Board Act, 1998*
Board File No. EB-2012-0421**

On November 6, 2012, Entegrus filed a notice of proposal under section 80 of the *Ontario Energy Board Act, 1998*, advising the Board of its intention to acquire an interest in generation in Ontario.

Entegrus proposes to construct one bio-gas renewable energy generation facility with a capacity output of 250 kW within the Municipality of Chatham-Kent. The proposed facility will connect to the distribution grid and the generation output will be sold pursuant to FIT contract criteria.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
