Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli,

Re: EB-2012-0403/0404 -- East Lake St. Clair Wind LP and Erieau Wind LP -- Application for Generation Licenses -- Compliance with Letters of Direction

We are counsel to East Lake St. Clair Wind LP ("ELSC LP") and Erieau Wind LP ("Erieau LP") in connection with their applications for generation licenses (EB-2012-0403 and EB-2012-0404, respectively). We are writing to confirm ELSC LP and Erieau LP's compliance with the Board's Letters of Direction dated December 18, 2012. In particular, copies of ELSC LP and Erieau LP's license applications and evidence have been made available for public review at the companies' offices and will be provided to anyone requesting a copy of the material. Neither ELSC LP nor Erieau LP has an active website, and therefore there is no website available for the ELSC or Erieau projects on which to post copies of the Notices of Application and Written Hearing.

Please contact me with any questions.

Yours truly,
