Dear Ms. Newland:

**Re: Application for Amendment Licence  
Board File Number EB-2012-0456**

Based on your correspondence with the Board regarding the name change on Louis Dreyfus Energy Services L.P.'s wholesaler licence, the Board cannot amend the licence until the transaction has been finalized and the name of the licensee has been changed. Once the transaction has been completed and the name of the entity has been changed, please file a document to support the name change amendment application, i.e. articles of amendment or certificate of amendment under the Business Corporations Act or Limited Partnership Act).

In addition, as stated in your letter, you are requesting to vary the licence pursuant to section 7(4) of the *Ontario Energy Board Act, 1998*. Under this section the Board can vary the order made by an employee of the Board if the order is appealed within 15 days of issuance of the order. Please re-file your request under section 74 of the Act to amend Louis Dreyfus Energy Services L.P.'s wholesaler licence EW-2010-0057.

The Board will resume processing the application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please file two paper copies of the additional material and an electronic version in PDF format with the Board Secretary. Electronic copies may be submitted by e-mail to [boardsec@ontarioenergyboard.ca](mailto:boardsec@ontarioenergyboard.ca).

Please direct any questions relating to this application to Irina Kuznetsova at 416-440-8138 or e-mail [Irina.Kuznetsova@ontarioenergyboard.ca](mailto:Irina.Kuznetsova@ontarioenergyboard.ca).

Yours truly,
