Dear Mr. Stephenson,

Thank you for your December 10, 2012 letter and attached files regarding the 2000 and 2001 Ontario electricity distributors' data.

Board staff would like to include this data in our consultations related to implementing the Board's Renewed Regulatory Framework. We are proposing that the issue of the consistency of this data with the 2002 to 2011 Reporting & Record Keeping Requirements data, as well as whether and how the Board should use this data be discussed at the January 10, 2013 Stakeholder Meeting.

We would like to be able to post the data you sent us on the Board's website. It is my understanding, however, that portions of this data are considered confidential (e.g., salary-, wage- and compensation-related data). Consequently, I would therefore ask that you either confirm in writing that there are no such confidentiality issues; or please redact the confidential portions of the data and send us the redacted version of the spreadsheet for posting on the Board's website.

If you have any questions in regard to this request, I would suggest you contact Lisa Brickenden at 416-440-8113 or by email at rff@ontarioenergyboard.ca.

Yours truly,

Peter Fraser
Managing Director, Regulatory Policy
