Dear Sir/Madam:

Re: Application by Union Gas – Owen Sound Replacement Project
OEB File No. EB-2012-0430

We are in receipt of the Notice of Application by Union Gas in respect of the above-noted matter which was served on the Regional Municipality of Waterloo on December 20, 2012.

Due to the Christmas and New Year holidays we have been unable to fully consider this application, determine the nature of the Region's participation in this matter and respond to the Board and applicant within the stipulated 10 days. We expect that staff who have been involved in earlier stages of this matter to be in a position to complete their review and determine the needs for participation early next week. We will advise of the Region's position as soon as possible next week.

Yours truly,
