Dear Ms. Walli:

Re: Observer Request; Board File No. EB - 2012 - 0442

Application by Varna Wind Inc. for Leave to Construct Transmission Line and Related Facilities in Huron County

We are submitting this letter on behalf of our sons, Kevin and Richard Haney, landowners of Concession [REDACTED] Lot [REDACTED] HRS in the municipality of Huron East. Kevin and Richard did not receive notice of the application for a leave to construct transmission facilities in Huron County. The notice of application was sent to and addressed to the previous owners. Kevin and Richard have been owners of the property since May 2012. Based on this information, it would appear that Varna Wind Inc. did not have an accurate mailing list when they sent out their notices.

This is a request, on their behalf, for observer status and for an oral hearing instead of a written hearing.

Matt and Elaine Haney
