Dear Mr. Allen:

**Re: Application for Electricity Wholesaler Licence  
Board File Number EB-2012-0466**

The Board has reviewed your application for renewal of electricity wholesaler licence EW-2007-0711. Your application is currently incomplete and cannot be processed further until the following has been filed:

1. Your letter dated December 13, 2012 requested an interim licence because licence EW-2007-0711 expired. Please provide an explanation why the licence was not renewed before it expired and why an interim licence is required. If an interim licence were to be issued, please note that this is not a final determination on your application
2. With respect to your corporate organization, please complete question 8 and provide a corporate chart to provide the Board with a better understanding of your organization.
3. Please refer to question 10 and provide a description of the technical qualification of the electrical supervision.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to [boardsec@ontarioenergyboard.ca](mailto:boardsec@ontarioenergyboard.ca).

Please direct any questions relating to this application to Julie Doherty, Advisor at +1 (416) 440-8133 or e-mail, [Julie.Doherty@ontarioenergyboard.ca](mailto:Julie.Doherty@ontarioenergyboard.ca).

Yours truly,
