Dear Ms. Walli:

Re: Louis Dreyfus Energy Services L.P.;
Request for Variation of Electricity Wholesaler Licence EW-2010-0057

We act for Louis Dreyfus group of companies. By letter dated December 5, 2013 ("**Application Letter**"), we applied to the Ontario Energy Board ("**Board**") to vary Electricity Wholesaler Licence EW-2010-0057 ("**Licence**") pursuant to subsection 7(4) of the *Ontario Energy Board Act, 1998* (the "**Act**"), by changing the name of the licence holder from Louis Dreyfus Energy Services L.P. ("**Louis Dreyfus L.P.**") to Castleton Commodities Merchant Trading L.P. ("**Castleton Trading L.P.**") to reflect an upstream change of ownership (the "**Transaction**") that was to occur above Louis Dreyfus L.P.'s parent, Louis Dreyfus Highbridge Energy LLC. The Application Letter should have referred to section 74 of the Act. We are attaching a revised letter that corrects this typographical error.

By letter dated December 21, 2012, the Board advised that it would not amend the Licence until the transaction had been finalized and the name of the Licence changed. We are enclosing a copy of the Certificate of Amendment of "Louis Dreyfus Energy Services L.P.", changing its name from "Louis Dreyfus Energy Services L.P." to "Castleton

Commodities Merchant Trading L.P.," certified by the Secretary of State, State of Delaware, on December 31, 2012.

Yours very truly,
