**LETTER OF DIRECTION**

Dear Mr. Vegh:

**Re: Renewable Energy Supply Generators  
Application to Review Market Rule Amendments MR-00381-R02, MR-00381-  
R03, MR-00381-R04, MR-00381-R05 and MR-00381-R06  
Board File Number: EB-2013-0029**

The Ontario Energy Board has now issued its Notice of Application and Oral Hearing (the "Notice") with respect to your clients' application to review the above-noted amendments to the market rules (the "Application"). A copy of the Notice is attached.

The Board will attend to service of the Notice on all electricity licensees, including the Independent Electricity System Operator and the Ontario Power Authority, as well as on the following other parties:

Association of Major Power Consumers in Ontario	Environmental Defence
Association of Power Producers of Ontario	Green Energy Coalition
Canadian Manufacturers & Exporters	Pollution Probe
Consumers Council of Canada	Power Workers Union
Electricity Distributors Association	School Energy Coalition
Energy Probe	Vulnerable Energy Consumers Coalition

You are directed:

1. To immediately have a copy of the Application and all other application materials posted on the website of each of the applicants that has a website, and have a copy of the Application and all other application materials available for public review at the offices of each of the applicants in Ontario.
2. To provide or make available a copy of the Application and all other application materials to anyone requesting them.

Yours truly,

*Original Signed By*

Kirsten Walli  
Board Secretary
