Attention: Ms. Kirsten Walli
Board Secretary

Dear Ms. Walli:

Re: **EB-2011-0063 – Grand Renewable Wind LP**
Authorization for Leave to Construct – Update re REA Appeals

We are counsel to Grand Renewable Wind LP (“GRWLP”). Further to s. 3 of the Board’s Amended Order (the “Amended Order”) dated December 19, 2012, we write to inform the Board of the status of the appeals of GRWLP’s Renewable Energy Approval (“REA”). Please note that capitalized terms not defined herein have the same meaning as in the Amended Order.

On December 24, 2012, the Environmental Review Tribunal released its decision dismissing the appeals of GRWLP’s REA. January 23, 2013 was the deadline for filing an appeal of the Environmental Review Tribunal’s decision with the Divisional Court. GRWLP therefore informs the Board that the validity of its REA is confirmed.

Section 3 of the Board’s Amended Order also requires that GRWLP “make available to all the parties to this proceeding the revised plan and schedule for the construction of the Transmission Facilities.” GRWLP is currently working on a preliminary draft of its revised construction plan and schedule and will make these documents available to the parties as soon as it is possible to do so.

Please contact the undersigned if you have any questions in regards to the foregoing.

Sincerely,

McCarthy Tétrault LLP

George Vegh
