Subject: Re: EB-2011-0063 - Grand Renewable Wind LP - Update re REA Appeals

I am in receipt of the order regards to GRWP EB-2011-0063 so what does it mean to(revised construction plans) so where are they going to be now, are We the people who live here on Haldimand Road #20 are we ever going to find out BEFORE the construction starts going to tell us where the poles substations etc.are going to be as I have mentioned many times that on the WEB site of Sansung/Spantec are totally without information we have been seeking.. We can't understand where anything is going to be from a blurry Green line thanks Norman Negus
