Dear Ms. Walli:

**Re: Notice of Application and Oral Hearing
Application To Review Market Rule Amendments Renewable Energy
Supply Generators
Board File No. EB-2013-0029**

We are retained to act as counsel to Power Workers' Union.

By way of this letter, the Power Workers' Union ("PWU") is requesting Intervenor status in the Board's above-noted proceedings.

The PWU represents a large portion of the employees working in Ontario's electricity industry and has utmost interest in regulatory proceedings that impact the provision of electricity service adequacy, reliability and safety to customers. Attached please find a list of PWU employers.

A PWU representative was an active participant in the IESO's SE-91 stakeholdering process. In addition, the PWU filed written submissions to the IESO regarding the then proposed amendments to the rules in question. As such the PWU has a substantial interest in the current application.

The PWU has retained Judy Kwik of Elenchus Research Associates as consultants and Paliare Roland for legal representation in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
