Attention: Ms Kirsten Walli
Board Secretary

Dear Ms. Walli:

**Re: Application to Review Market Rule Amendments Renewable Energy Supply
Generators
Board File No: EB-2013-0029**

We are counsel for the Applicants, the Renewable Energy Supply Generators, in the above noted matter.

The Letter of Direction required the Applicants to post a copy of the Application and all other application materials on the website of each applicant that has a website. I understand that none of the applicants have a website. The Applicants have therefore created a web-site for the purposes of this application. The website is at <http://www.renewableenergysupplygenerators.com/>

That website provides a copy of the application, a link to the OEB's proceedings page, and advice on how a copy the application may be reviewed.

We trust that this is satisfactory.

Sincerely,

signed in the original

George Vegh
