**AND IN THE MATTER OF** an application by Northland Power Inc. pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend electricity generation licence EG-2003-0103;

**AND IN THE MATTER OF** a request by Northland Power Inc. pursuant to section 77(5) of the *Ontario Energy Board Act*, 1998 to cancel electricity generation licence EG-2007-0102.

**DECISION AND ORDER**  
**February 7, 2013**

Northland Power Inc. ("Northland") filed an application on December 6, 2012 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 ("the Act") to amend its electricity generation licence EG-2003-0103 and a request to subsequently cancel electricity generation licence EG-2007-0102 issued to Thorold CoGen Management Inc. ("Thorold") pursuant to section 77(5) of the Act.

The requested amendment is to add to the Schedule 1 of Northland's electricity generation licence the generation facility Thorold CoGen GS located in Thorold, Ontario. The requested addition of this facility is as a result of amalgamation with Northland of the previous operator of the subject facility Thorold, which occurred on January 1, 2013.

Northland, as the owner of Thorold has also requested subsequent cancellation of Thorold's licence EG-2007-0102 as Thorold CoGen GS facility, currently listed in the Schedule 1 of Thorold's licence, will be operated by Northland.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to licence EG-2003-0103 and cancel the licence EG-2007-0102.

**IT IS THEREFORE ORDERED THAT:**

1. Schedule 1 of Northland Power Inc.'s electricity generation licence EG-2003-0103 will be amended to add Thorold CoGen GS generation facility to the licence.
2. Thorold CoGen Management Inc.'s electricity generation licence EG-2007-0102 will be cancelled.
