Ms. Kirsten Walli
Ontario Energy Board
Licensing Department

Toronto, ON M4P 1E4

Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Disclosure of The MEARIE Group's 2012 Management Salary Survey of Local Distribution Companies

We are counsel to The MEARIE Group ("TMG"). It has come to our client's attention that the Board has accepted for filing, made available on its public website, and allowed others to access under a Board confidentiality undertaking a proprietary document owned by TMG titled "2012 Management Salary Survey Of Local Distribution Companies" that is subject to a confidentiality agreement. This document should not have been provided to the Board by E.L.K. Energy Inc. in the context of its current rate application or otherwise. We are advised that this document was inadvertently disclosed to the Board.

TMG respectfully requests that the Board destroy all copies of this document in its power, possession or control and arrange for all others that copied the document from the Board to also destroy those copies.

Yours truly,

Goodmans LLP
