Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Regulated Price Plan
Consultation on Time-of-Use Pricing Framework
Board File Number: EB-2007- 0672**

I am writing to inform the Ontario Energy Board (the "Board") that Newmarket – Tay Power Distribution Ltd. ("NT Power") intends to make written comments on the Board staff's Discussion Paper on this matter. As an early implementer of the Regulated Price Plan time-of-use rates, we believe we can provide meaningful input to Board staff.

We would also like to be included on the distribution list for future developments in this consultation.

NT Power will not be seeking a cost award.

Should you have any questions, please contact the undersigned.

Yours truly,

President
