Re: Enbridge Gas Distribution Inc. ("Enbridge")
EB-2012-0382 Durham York Energy Centre Pipeline – Evidence

Enbridge wishes to inform the Ontario Energy Board's ("Board") that Enbridge has agreed to the customer's request of a change in delivery pressure. The change does not result in any design changes for both sections of pipe or financial arrangement with the customer. A copy of the fully executed Notice of Amendment of Delivery Pressure is attached as Exhibit I, Tab E, Schedule 3.

This submission is being filed through the RESS and the required paper copies are being sent to the Board.

For further information about the project, please visit the Enbridge website at:

Attn: Greg Borchuk

Dear Mr. Borchuk,

Re: Notice of Adjustment of Delivery Pressure under Financial Agreement

We refer to our letter agreement of May 11, 2012 (the "Financial Agreement") relating to the energy from waste facility being constructed at 72 Osbourne Road, Clarington and, among other things, the required contribution in aid of construction. In this letter, unless otherwise defined, capitalized words or phrases shall have the meanings attributed to them in the Financial Agreement.

The purpose of this letter is to amend the **Point of Delivery Pressure** set out in Appendix "A" of the Financial Agreement.

1. Appendix "A" is deleted and replaced by revised Appendix "A", which is attached hereto.

In all other respects the Financial Agreement Letter is in full force and effect, subject only to previous amendments and the amendments referred to in this letter. As of and from the date hereof, all references to the Financial Agreement Letter shall be to the Financial Agreement Letter as amended by this letter.

Kindly acknowledge receipt of this letter, and your adjusted obligations under the Financial Agreement Letter, by signing and returning to the undersigned the attached duplicate copy of this letter.

Yours very truly,

ENBRIDGE GAS DISTRIBUTION INC.
