Dear Mr. Stiel:

**Re: Application for a Licence Amendment
Board File Number EB-2013-0014**

The Board has reviewed your application for an amendment to your electricity generator licence. Your application is currently incomplete and cannot be processed until the following has been filed:

Please provide further details on the facility you would like to add to your licence (e.g., installed capacity, generation type, and connection) and whether Metrolinx will, in addition to owning, also be the operator of the facility. If Metrolinx will not be the operator, please identify the operator and indicate whether the person or entity is licenced by the Board.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please note that the Board may proceed with your amendment request without a hearing in accordance with section 21(4)(b) of the *Ontario Energy Board Act, 1998*. If you wish to have the proceeding disposed of without a hearing, you must request this in writing. You must consent to disposing of the proceeding without a hearing and you must demonstrate that no other person will be adversely affected in a material way by the outcome of the proceeding.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Vince Mazzone, Advisor at +1 (416) 544-5159 or e-mail, Vince.Mazzone@ontarioenergyboard.ca.

Yours truly,
