INTERIM RATE ORDER

On December 20, 2007, Erie Thames Powerlines Inc. ("Erie Thames") filed an application with the Ontario Energy Board (the "Board") for an order or orders approving or fixing just and reasonable rates for the distribution of electricity and other charges, to be effective May 1, 2008.

The review of Erie Thames' application is not yet concluded. Pending the issuance of final rates for 2008, the Board declares the current rates interim as of May 1, 2008.

In declaring Erie Thames' rates interim, the Board emphasizes that this interim rate order should not be construed as predictive, in any way whatsoever, of the application or the effective date of the final rate order.

THE BOARD ORDERS THAT:

The approved rates of Erie Thames Powerlines Inc. effective on April 30, 2008, are declared interim as of May 1, 2008 and until such time as a final rate order is issued by the Board.
