Dear Ms. Walli,

Re: EB-2007-0672 Consultation on Time-of-Use Pricing Framework

Ontario Energy Savings L.P. ("OESLP") is a large retailer of natural gas and electricity that operates in numerous jurisdictions throughout Canada and the United States. In Ontario, OESLP provides more than 500,000 customers with energy services. As a result, issues set out in this consultation are directly relevant to OESLP. OESLP wishes to participate in above captioned consultation by providing written comments, and wishes to be added to the distribution list for future developments in this consultation, the contact information is below. OESLP will not seek a cost award in this proceeding.
