Re: MXenergy (Canada) Ltd.
Gas Marketer Licence GM-2008-0025

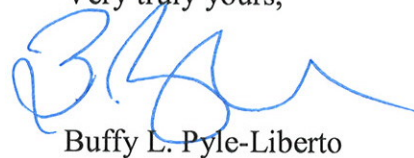

Dear Mr. Pickernell,

I am requesting that the Board cancel MXenergy (Canada) Inc's current Gas Marketers Licence. MX no longer has customers in Ontario as of September 2012. I previously informed in the Board we would not be renewing our licence upon its expiration.

Please confirm the cancellation of our licence. Upon receipt of the cancellation notice we will cease compliance filings and will not file the Annual Certification of Compliance.

Thank you for your assistance. Please feel free to contact me if you have any questions.

Very truly yours,

Buffy L. Pyle-Liberto
