February 19, 2013

Ms.Kirsten Walli, Board Secretary
Ontario Energy Board
P.O. Box 2319
2300 Yonge Street, 27th Floor
Toronto ON M4P 1E4

Dear Ms Walli,

On Friday, February 15, 2013, the Regional Infrastructure Planning Working Group issued Appendix 1 to its report. Parties had been requested to provide comments to the Ontario Energy Board and the Regional Infrastructure Planning Working Group by today, February 19, 2013.

Hydro Ottawa is requesting an extension from the Ontario Energy Board to submit its comments on the report and Appendix 1 to Friday February 22, 2013. Hydro Ottawa requests this extension as Hydro Ottawa is not able to complete its review of the report and the appendices having received Appendix 1 late Friday afternoon. As well, other priorities do not make it possible to respond prior to Friday February 22, 2013.

We trust that this is satisfactory.

Yours truly,
