ONTARIO ENERGY BOARD

Dear Ms. Walli,

Please find below a list of clarification questions provided by Board Staff (Lenore Dougan) and Erie Thames Powerlines responses regarding its 2007 IRM Rate Application file # EB-2007-0524.

1. On your 2006 tariff schedule of rates and charges, the Regulated Price Plan – Administrative Charge for General Service 50 to 999 kW, General Service 1,000 to 2,999 kW, General Service 3,000 to 4,999 kW, Large Use, Unmetered Scattered Load, Sentinel Lighting and Street Lighting classes are shown as “if applicable”. On Sheet 3 of your 2007 IRM Model, the descriptions for the Regulated Price Plan – Administrative Charge exclude the terminology “if applicable” for those rates. Please clarify whether this was a simple transcription error. If not, please provide a full and complete explanation regarding the exclusion.
 - This was a simple transcription error.
2. On your 2006 tariff schedule of rates and charges, the service charge for Sentinel Lighting and Street Lighting are shown as being on a per connection basis. On Sheet 3 of your 2007 IRM Model, the description for these rates excludes the terminology “on a per connection basis”. Please clarify whether this was a simple transcription error. If not, please provide a full and complete explanation regarding the exclusion.
 - This was a simple transcription error.
3. On your 2006 tariff schedule of rates and charges, the Large Use and Unmetered Scattered Load classes have a set of retail transmission rates relating to interval metered customers. On Sheet 3 of your 2007 IRM Model, the descriptions for the retail transmission rates exclude the terminology “interval metered” for those rates. Please clarify whether this was a simple transcription error. If not, please provide a full and complete explanation regarding the exclusion.
