Hi John,

I faxed and e-mailed requests for intervenor status for the 2 OEB applications, EB-2013-0040 and EB-2013-0041 - the Bornish and Kerwood wind projects.

I haven't received any reply or confirmation. Have the requests been received and are they being processed.

Also, I would like to request oral hearings for these 2.

Thanks,
Harvey Wrightman
