**Subject:** RE: EB-2012-0458 K2 Wind Power Project (Against)

Dear Ontario Energy Board,

My name is Carla Stachura. I am a ratepayer in Ashfield-Colbourne-Wawanosh Township and therefore a stakeholder.

Wind Turbines are NOT economically feasible when they have to be taken down within 3 years due to negative Health Effects!

Please see the attached website from Massachusetts called "Public Health Disaster".
