Dear Mr. Kazmaier:

**Re: Application for Unit Sub-Metering Licence
Board File Number EB-2013-0043**

The Board has reviewed your application for a unit sub-metering licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. In section 6 "Officers, Directors and Key Individuals" of the application form three key individuals have been listed. Section 12 "Key Individual Information" of the application form requires to provide information for each key individual identified in section 6. You have provided information only for Mr. Mike Kazmaier. Please provide the information for the remaining two key individuals.
2. To satisfy requirements of section 9 "Finance" you have provided a letter of reference from the applicant's bank. Based on previous experience with similar applications, this letter may not be sufficient to evaluate financial viability of the applicant. Please provide pro forma statements for at least two years. Pro forma statements must be signed by one key individual.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
