Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**RE: REQUEST FOR DATA TO SUPPORT EMPIRICAL WORK (EB-2010-0379)**

Grimsby Power Inc. is pleased to submit a response to the Ontario Energy Board's Request for Data to support benchmarking and productivity factor research.

Enclosed are worksheets containing Grimsby Power's responses with respect to Smart Meter Investment data.

Other elements of the Request do not apply to Grimsby Power since our utility does not own high-voltage (HV) equipment as part of our distribution assets. In addition, Grimsby Power is not a host distributor and does not bill another distributor for low-voltage (LV) services.

Please advise if there are questions or concerns.

Yours truly,

David Kelly
