Dear Ms. Walli

**Re: PowerStream Inc. (ED-2004-0420)
Request for Data dated February 26, 2013 (EB-2010-0379)**

Attached are two copies of the requested data that was filed on RESS today.

Please note that PowerStream has made capital contributions in respect of Hydro One owned transformer stations. These amounts are recorded in account 1610 rather than account 1815. These contributed capital amounts have been added in arriving at the total amount in the last row of the table on "3. HV Data-HV Equipment Owners".

PowerStream has left "4. LV Data-Host Distributors" blank as per note 2 on that page - the only relationship with an embedded distributor listed on this spreadsheet is a long-term load transfer.

If you have any questions, please do not hesitate to contact the undersigned.

Yours truly,
