**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B);

**AND IN THE MATTER OF** an application by Veridian Connections Inc. for an order approving or fixing just and reasonable distribution rates related to Smart Meter deployment, be effective November 1, 2012.

**AND IN THE MATTER OF** a Motion to Review and Vary by Veridian Connections Inc. pursuant to the Ontario Energy Board's *Rules of Practice and Procedure* for a review of the Board's Decision and Order in proceeding EB-2012-0247.

**NOTICE OF MOTION TO VARY  
AND PROCEDURAL ORDER NO. 1  
March 6, 2013**

Veridian Connections Inc. ("Veridian") filed with the Ontario Energy Board (the "Board") a motion for request to review and vary (the "Motion") the Board's Decision and Order dated October 25, 2012 in respect of Veridian's smart meter application (EB-2012-0247). The Board has assigned the Motion file number EB-2013-0022.

The Motion seeks to extend the time for filing the motion with the Board and vary the Board's EB-2012-0247 Decision and Order to permit Veridian to recover an additional \$478,224 in revenue requirement related to 2009 amortization expenses associated with Smart Meter capital expenditures made in 2006, 2007, and 2008. The recovery is to be made through amendment of the existing smart meter disposition rate riders ("SMDRs") commencing on May 1, 2013 and continuing until April 30, 2014.

The Board will grant intervenor status and cost award eligibility to the Vulnerable Energy Consumers Coalition ("VECC"), as it was the only intervenor in Veridian's smart meter rate proceeding.

The Board has determined that the most expeditious way of dealing with this Motion is to consider concurrently the threshold question of whether the matter should be reviewed (as contemplated in the Board's *Rules of Practice and Procedure*) and the merits of the Motion. The Board will proceed by way of a written hearing.

**THE BOARD ORDERS THAT:**

1. Veridian shall file with the Board and deliver to VECC any additional material in support of the Motion by no later than March 13, 2013.
2. VECC and Board staff may file written submissions with the Board and deliver them to Veridian no later than March 22, 2013.
3. Veridian may file a written reply submission with the Board and deliver it to VECC no later than April 3, 2013.
