Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli,

**RE: LONDON HYDRO INC.
2013 Cost of Service Rate Application (EB-2012-0146/ EB-2012-0380)
Interrogatory Responses (Supplemental)**

On February 23, 2013, the Ontario Energy Board (the Board") issued its Decision on Confidentiality and Procedural Order No. 3 in the above-captioned proceeding which communicates the timetable for Intervenors, other than Board staff, to provide to both the Board and London Hydro Inc. ("London Hydro") their written supplementary interrogatories.

London Hydro received the written supplementary interrogatories from Board staff and Intervenors before the date of February 22, 2013. Accordingly, London Hydro is now submitting responses to these interrogatories.

These interrogatory responses will be filed on the RESS system, and two paper copies will be forwarded to the Board Secretary.

Included (in a separate sealed envelope) with the material sent to the Board Secretary is a document that is being filed pursuant to the Board's Practice Direction on Confidential Filings. This document is in response to Energy Probe IR question #40, which was submitted to London Hydro under confidential filing requirements.

London Hydro trusts this is satisfactory. If you have any questions as to the response to supplementary intervenor questions submission, please do not hesitate to contact the Undersigned.

Yours truly,

A handwritten signature in blue ink, appearing to read "Mike Chase".

Director of Finance and Regulatory
