Attention: Board Secretary

Ladies and Gentlemen:

**Re: Electricity Generation Licences (EG-2012-0322 and EG-2012-0484)**

This letter is being delivered in connection with:

1. Electricity Generation Licence EG-2012-0322, dated September 27, 2012, ("**Seller's Licence**") granted by the Ontario Energy Board (the "**OEB**") to RE Smiths Falls 5 ULC ("**Seller**"); and
2. Interim Electricity Generation License EG-2012-0484, dated January 24, 2013 ("**Buyer's Licence**") granted by the OEB to Aurora Smiths Falls 5 Limited Partnership (the "**Buyer**").

Further to your request and further to our letter dated February 12, 2013, the purpose of this letter is to confirm that the Seller sold its interest in the generation facility listed on Schedule 1 of the Seller's Licence (the "**Licensed Generation Facility**") and sold its generation assets to the Buyer on February 13, 2013.

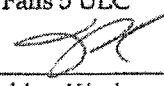

As the Buyer is the owner of the Licensed Generation Facility and the generation assets as of February 13, 2013, the parties hereby request as follows:

1. the Seller requests that the OEB cancel the Seller's Licence;
2. the Buyer and the Seller each request that the OEB transfer the Licensed Generation Facility from Seller's Licence to Buyer's Licence; and
3. the Buyer requests that the OEB issue a complete Buyer's Licence with Schedule 1 populated with the details of the Licensed Generation Facility; provided, however, that the Buyer requests that the licensed generation facility be referred to as "Aurora Smiths Falls 5" rather than "RE Smiths Falls 5". This request constitutes a revision to the application for an electricity generation licence (EB-2012-0484) submitted to the OEB on behalf of the Buyer on January 28, 2013.

The undersigned request that the Board proceed to hear and determine these requests in this regard without a hearing.

Sincerely,

RE Smiths Falls 5 ULC
