't the Inaugural meeting of NDACT, a group formed since our Political leaders were not listening to the citizens they are supposed to represent. The audience was asked: "What do you know?" not "What do you suspect, but what do you know?" I have decided to reveal what I know and then make this one formal objection letter to Melancthon Council regarding Elexco's file, Longyuan/Dufferin Wind Turbines, Planscapes Proposal, Highlands Quarry and Melancthon's Draft 2012 Official Plan.

What I know regarding wind turbines:
