Dear Ms. Walli:

Re: Westario Power Inc. EB-2012-0176

On behalf of Westario Power Inc. ("Westario"), we are writing to request another extension of time to file a draft settlement agreement with the Board. As mentioned in our last extension request dated March 8, 2013, with the exception of one issue the parties have reached a complete settlement in principle.

The parties are now continuing to work together to resolve the one unsettled issue in order to achieve a complete settlement in principle. Whether or not the remaining issue is resolved, we believe that the goal of achieving a complete settlement is worth pursuing. To that end, we request a one week extension to Friday March 22, 2013.

Both the Board appointed facilitator and Board staff have been kept apprised of the continued negotiations. We thank the Board for its consideration.

Sincerely,

Andrew Taylor
