Dear Ms. Walli:

Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association - Toronto (BOMA) for EB-2012-0433: Union Gas Limited, Leave to Construct, Parkway West Project

The Building Owners and Managers Association - Toronto (BOMA) seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and many others throughout Ontario. BOMA's members are large consumers of natural gas in the Union Gas franchise area, and has a substantial interest in reliable and cost-effective gas delivery service.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property owners in the Greater Toronto Area and throughout Ontario.

BOMA has been a major and constructive participant in numerous previous cases, including the recent Enbridge and Union 2013 rate cases, in which certain issues raised by the Enbridge GTA

project and the Union Parkway West project were considered. As a representative of a large sector of energy consumers in the Greater Toronto Area and throughout Ontario, the commercial and industrial building owners and generators, BOMA seeks a cost award in this proceeding.

BOMA plans to participate actively in this proceeding, to submit interrogatories, cross-examine Enbridge's witnesses and submit argument.
