Dear Ms. Walli:

Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association - Toronto (BOMA) for EB-2013-0024: Enersource Hydro Mississauga Inc., 2013 Electricity Distribution Rate Change

The Building Owners and Managers Association - Toronto (BOMA) seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and many others throughout Ontario. BOMA's members are large consumers of electricity in the Enersource franchise area, and has a substantial interest in reliable and cost-effective electricity delivery service.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property owners in the Greater Toronto Area and throughout Ontario. Reflecting its own active CDM programs, BOMA has a keen interest in utility CDM programs and how they are recovered in rates.

As a representative of a large sector of energy consumers in the Greater Toronto Area and throughout Ontario, the commercial and industrial building owners and managers, BOMA seeks a cost award in this proceeding.

BOMA plans to participate actively in this proceeding, to submit interrogatories, and make submissions.

BOMA requests that further communications with respect to this matter be sent to the following parties:
