Dear Ms. Walli:

Re: Request for Intervenor Status EB-2013-0053

Cambridge and North Dumfries Hydro Inc. ("CND") respectfully requests intervenor status in the above noted application by Hydro One Networks Inc. for leave to construct upgraded electricity transmission line facilities in the Kitchener-Waterloo-Cambridge-Guelph area. The Application file number is EB-2013-0053.

CND is directly affected by the outcome of this proceeding in as much as the upgraded transmission line facilities will service our utility and ultimately, our customers. While the nature and scope of our intended participation will concentrate on aspects of the Application that directly affect our distribution system and service to our customers, we are interested in any impacts to distribution utilities and customers in the entire Kitchener-Waterloo-Cambridge-Guelph area.

CND does not intend to seek an award of costs in this matter.

Please contact the undersigned in regards to this matter.

Sincerely,
