NOTICE OF APPLICATION AND WRITTEN HEARING Application by Algoma Power Inc. for an Extension to its Mandated Timeof-Use Pricing Date for Regulated Price Plan Customers

The Application

Algoma Power Inc. ("Algoma Power") filed an application dated February 26, 2013 with the Ontario Energy Board under section 74 of the Ontario Energy Board Act, 1998 for a licence amendment granting an extension in relation to the mandated date for the implementation of time-of-use ("TOU") pricing rates for Regulated Price Plan ("RPP") customers. The application will be decided by an employee of the Board, who has been delegated this authority pursuant to section 6 of the Ontario Energy Board Act. The employee of the Board does not intend to provide for an award of costs when deciding this application.

Time-of-Use Pricing

On August 4, 2010 the Ontario Energy Board issued a determination under Section 1.2.1 of the Standard Supply Service Code to require the implementation of TOU pricing for RPP customers. The determination established mandatory TOU implementation dates for each electricity distributor. Algoma Power is requesting an indefinite extension to its mandated TOU pricing date that was previously extended to December 31, 2012 under Board proceeding EB-2012-0339. Algoma Power is requesting its TOU pricing date have an indefinite expiry date due to the lack of technological options that will achieve full compliance.
