Dear Ms. Walli

**Re: Publication of the Board Notice for PowerStream Inc. (Licence ED-2004-0420)
Application for a Board-Approved CDM Program - Direct Install Refrigeration
(DIR) Board File No. EB-2013-0070**

The Board's Letter of Direction, April 1, 2013 indicated that the Notice should be published in fourteen (14) days or by April 15, 2013.

Please note that the French language newspaper, Le Gout de Vivre, is published infrequently. We have arranged to have the Notice in the next publication, scheduled for April 18, 2013. We trust that this will meet the Board's requirements, but should there be any concerns, please contact the undersigned.

Yours truly,
