Dear Ms. Walli:

**Re: OEB File No. EB-2013-0053**  
**Guelph Hydro Electric Systems Inc. ("Guelph Hydro") Request for Intervenor Status**

Guelph Hydro hereby expresses its intention to intervene and participate in the above-mentioned proceeding of Hydro One Networks' leave to construct upgraded electricity transmission line facilities in the Kitchener-Waterloo-Cambridge-Guelph area.

The upgraded transmission line facilities will serve Guelph Hydro and its customers; therefore, Guelph Hydro respectfully requests intervenor status to allow for active participation in the proceeding. The nature and scope of Guelph Hydro's participation will focus on aspects of the Application that could directly affect Guelph Hydro's distribution system and service to its customers. In addition, Guelph Hydro is interested in any impacts to distribution utilities in the entire Kitchener-Waterloo-Cambridge-Guelph area.

Guelph Hydro does not intend to seek cost awards in this matter.

Should there be any questions, please contact me at the number below.

Respectfully Submitted,

Cristina Birceanu
