Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: EB-2011-0099
E.L.K. Energy Inc. – 2012 Cost of Service Application
Proposed Settlement Agreement**

Commencing on February 8, 2013 most of the parties involved in this proceeding took part in a Settlement Conference. EnWin chose not to participate in the Settlement Conference.

EnWin has reviewed the Proposed Settlement Agreement. It appears that all parties agreed to maintain investment in E.L.K infrastructure, which is important to the local grid and was EnWin's primary concern and basis for intervening. Accordingly, EnWin does not object to the proposed agreement.

Yours very truly,

ENWIN Utilities Ltd.
